Forecast for Wednesday 07 Dec 2022

Weather: Mostly cloudy with snow showers, these heavy and frequent over the north, but some bright or perhaps sunny spells over southern ranges, especially through the morning. Blizzard conditions at times with significant snowfall possible.

Chance of cloud-free hill tops above 800m: 30%, but 60% in south in morning

Low cloud and visibility: Extensive cloud base 600 to 800m, though more patchy in south in morning. Visibility very good, falling poor or very poor in snow showers and almost nil in blizzards, leading to navigational difficulties.
